**Program Dean Mosher: “Fighting to protect Fairhope”**

My history of working with great people to effect positive change in Fairhope for nearly **half a century**.

Dean Mosher is a celebrated painter of epic historic events. Many of his paintings hang in national museums and institutions, major universities, National Park Visitor Centers and the Fairhope Museum of History. Mosher’s work has also appeared in many books. He has been honored with many awards, including the Commander General’s medal for saving the archives of the NOUS. He lives and works in his hand-built castle & studio in Fairhope, as featured on TV. His proudest achievements are winning the hand of his wife of 46 years, Pagan, and raising two great children, Megrez Ravel and Cleveland Turner.

**4th Unitarian Principle:** We covenant to affirm and promote a free and responsible search for truth and meaning.

**Pantry Habit** *Thank* you for contributing to our Pantry. There is ***always*** a need for our Food Pantry! We particularly need pasta, hearty soups, canned green veggies and fruit. One reason people like it so much is that we don’t require identification or proof of need. “Take what you need. Give what you can”. This has worked well for us! Our neighbors appreciate our generosity! So, **THANK YOU** for your caring! **YOU DO MAKE A DIFFERENCE!**

There is also a “Blessing Box” furnished by **Fairhope East Elementary School**. It is located in front of our pantry, and is specifically designed for personal care items and school supplies. The school will maintain and keep stocked but we can also put non-food items in.

***Everyone: Mother's Day***

We will gather in a circle to remember both our Mom and our childhood years. This will give us all a chance to honor our Mom, remember our childhood, and tell some tales. If you can't say something, you either can pass the mike or write it out for someone else to read.
