Frye lives in Mobile, Alabama, and is the writer-in-residence in the English and History departments at the University of South Alabama. He is the author of thirty books, the winner of the Lillian Smith Book Award and the Gustavus Myers Award.

2nd Unitarian Principle: We covenant to affirm and promote justice, equity and compassion in human relations.

Pantry Habit *Thank you* for contributing to our Pantry. There is *always* a need for our Food Pantry! We particularly need pasta, hearty soups, canned green veggies and fruit. One reason people like it so much is that we don't require identification or proof of need. "Take what you need. Give what you can". This has worked well for us! Our neighbors appreciate our generosity! So, **THANK YOU** for your caring! **YOU DO MAKE A DIFFERENCE!**

Dr. Suzanne Tormoen: The Chalice

The flaming chalice is the official logo of the Unitarian Universalist Association (UUA). It is enshrined in stained glass at the head of our fellowship hall, and our most significant symbol. But what is its meaning and significance? Suzanne will unpack its history & relevance to the Unitarianism.

Suzanne has been a Unitarian since Junior high school and loves the Fellowship, which is an important part of her life. She is a physician in internal medicine in Fairhope after working in Mobile and has a Masters in nutrition. She studied martial arts with Yōseikan Budō for 5 years. She likes to garden, walk, do yoga, cook and be civically minded. She has 2 sons, 3 grandchildren, and 3 siblings.
