Program: Skip Jones: “Golden years: How Americans Invented & Reinvented Old Age”

Skip will review and discuss this book by James Chappel. In it Chappel examines how we Americans have viewed and responded: individually and socially-to the fact of aging.

Skip is a native of Mobile and a resident of the Eastern Shore since 1980. He is the proud father of three and grandfather of nine. He has been building and restoring homes for the past 29 years. In his spare time, he has been building and restoring boats. He currently lives in a 1925 cottage in Fairhope with his wife, Barbara, and dog, Archie.

Pantry Habit Thank you for contributing to our Pantry. There is **always** a need for our Food Pantry!

We particularly need pasta, hearty soups, canned green veggies and fruit. A one reason person like it so much is that we don’t require identification or proof of need. “Take what you need. Give what you can”. This has worked well for us! Our neighbors appreciate our generosity! So, **THANK YOU** for your caring! **YOU DO MAKE A DIFFERENCE!**
