**Program:** *Program:* A panel of FUF members will discuss Sunday Service Programs

Sharing their history, a panelist of FUF members will talk about what has proved successful and challenging for Sunday Service Programs over the years. Having no minister, FUF as a lay-led congregation creates the opportunity to engage a variety of speakers on a variety of subjects. Rather than centering on individual tastes and preferences, collective gathering is an act of generosity and hospitality. Not every program may be to the liking of everyone, but just our presence that hour may be what our fellow congregant needed. The next program may be the very one that speaks directly to YOU. Your input on Program Planning will be welcome.

**Pantry Habit Thank you for contributing to our Pantry. There is **always** a need for our Food Pantry!** We particularly need pasta, hearty soups, canned green veggies and fruit. Personal care items are a big need too. A one reason person like it so much is that we don't require identification or proof of need. "Take what you need. Give what you can". This has worked well for us! Our neighbors appreciate our generosity! So, **THANK YOU** for your caring! **YOU DO MAKE A DIFFERENCE!**
