Introduction of Program *Mary Anderson*

Program: Nick Coulson: **“Inequality: Bad for the Poor... and the Rich”**

Research shows that societies appear to have more social, environmental and health problems as the gap between the wealth of the rich and the poor increases. Nick will present the work of the Equality Trust.

Nick Coulson is a retired Architect. He is from England but moved to Fairhope 30 odd years ago and is still adjusting. He loves the Unitarian Fellowship for its values and friendships.

Pantry Habit *Thank you for contributing to our Pantry. There is **always** a need for our Food Pantry!* We particularly need pasta, hearty soups, canned green veggies and fruit. Personal care items are a big need too. A one reason person like it so much is that we don't require identification or proof of need. “Take what you need. Give what you can”. This has worked well for us! Our neighbors appreciate our generosity! So, **THANK YOU** for your caring! **YOU DO MAKE A DIFFERENCE!**
