Invitation to Hospitality

Pantry Habit Thank you for contributing to our Pantry. There is **always** a need for our Food Pantry! We particularly need pasta, hearty soups, canned green veggies and fruit. Personal care items are a big need too. A one reason person like it so much is that we don't require identification or proof of need. “Take what you need. Give what you can”. This has worked well for us! Our neighbors appreciate our generosity! So, **THANK YOU** for your caring! **YOU DO MAKE A DIFFERENCE!**

Ed Harris: UU Minister and Civil Rights Activist”

UU minister Ed Harris was one of the white liberal activists involved in the Birmingham civil rights unrest. He founded the ACLU there and worked for equal rights. For his troubles, he was attacked repeatedly. Narrowly missing more attacks, he and his family fled the city to safer locations in the north where members of FUF knew him. He was an engaging storyteller, principled leader, and author.

Irene has been an active UU for the past 50+ years, including serving as President and Board Chair of the Fellowship. A former teacher, Director of Religious Education, and a state Community Organizer for AARP, she has enjoyed using storytelling to connect with others. Irene, husband Pete, and various dogs have enjoyed biking the Gulf area for the past 13 years.
