Introduction of Program

Program: Mary Anderson & Virginia McClintock, “UU History, Part 2: Coming to America”

Unitarianism came to America via the Puritans; Unitarianism and Deism influenced our Founding Fathers; Unitarianism emerged over the centuries; and Unitarians and Universalism merged as one faith in 1961 providing us with our Living Traditions, Principles, and Values.

Mary Anderson moved to Daphne, Alabama in 2024 and is a 20-year Unitarian Universalist currently serving as President of FUF. Her other title is “Grandma” to a bunch of grands and greats—“It keeps you young and makes you old!”

Virginia McClintock chose Fairhope in September 2025 in large part due to the UU Fellowship and a hunch that she could meet quirky, interesting folks in Fairhope. She was an active member of First Unitarian Church in San Diego in the 1990’s.

Bellamy Watson, "The Wheel of the Year: The Pagan Sabbats"

A brief overview of the Celtic holidays that many modern pagans celebrate, and a deeper look at the next one, with some rituals you can do to honor it.

Bellamy Watson (He/They) has been a practicing pagan for around ten years. He mostly works with Demeter, though he calls upon gods from many pantheons when he needs their particular expertise.
